To

The Secretary to the Government of
H H the Maharaja of Mysore,
General and Revenue Departments

Edn 436-11

Sir,

I beg to submit that Mr B Venkata Rao, Assistant Chemist landed in Bombay on the 7th instant Although the scholarship period extended till the end of September 1912 yet, Dr. Coleman, the Head of the Department seems to have written to Mr. Venkata Rao to try and return before the beginning of June as the former had to go on leave The stress of work in trying to appear for the examination 3 months in advance of his allowed period and continuous stay in a cold climate appear to have affected his health and I learn he will not be able to return to duty at once He has been advised to stay at Karla to recruit his health The small allowance of Rs 200 (minus the premium) was barely sufficient to maintain his large family here In consideration of the fact that the scholarship was sanctioned till the end of September and that Mr Venkata Rao returned much earlier in obedience to the call of duty even disregarding his own health, I humbly beg that the Government of H H the Maharaja may be graciously pleased to allow him, as a special case, to draw in India his scholarship amount for the

full period for which it had already been sanctioned, in order to enable him to recruit his health fully and return to work as early as possible.

I beg to remain,

Sir,

Your most obedient servant,

S. Shiva Rao

Cousin and authorised agent of

Mr. B Venkata Rao.

It is further prayed that the amount when sanctioned may be made payable to him either through the Bank of Bombay or through Messrs. N. Sirur and Co, a respectable Firm having dealings with this Government.
